

# Workshops in Schools

**Our experienced team of workshop leaders can offer the following workshops:**

**Show related:** (For main house and adventure theatre shows) A follow up workshop at your school that uses drama to explore the themes of the play.

**Page to Stage:** We will bring your class's favourite book to life through drama.

**Play in a Day:** Over the course of a day pupils work with Polka's experienced and professional drama workshop team on a given theme to devise a play which they perform to the schools and their families.

**Multi-Sensory:** We can tailor make a drama workshop for your children using a multi-sensory drama approach. A pre-workshop visit will be made to your school by the workshop leader. Contact us for information.

**Puppetry:** Work with a professional puppeteer to learn how to create and use your own puppets. Please note there is a supplementary charge of £20 to cover the cost of materials for this workshop.
